Bull Nose Stair Tread

DIMENSIONS: Up to 12'
SKU: GBC-20015-BA

BULL NOSE STAIR TREAD

Bull Nose Stair Tread is constructed of extruded aluminum for optimal durability. These stair treads utilize proprietary polymer fusion technology and proprietary anti-skid black substrate with embedded aggregate that allows for heavy traffic and extended longevity. These treads hold up in ice, rain, or snow in any lighting conditions. Bull Nose Stair Treads have a wrap around edge that is ideal for use over carpet or for covering up rough edges to help the appearance of step damage. Stair tread is available in aluminum, bronze, black, and gold finish.

Stair I.D. Sign

DIMENSIONS: 15"W x 18"H
SKU: GBC-801-ID

STAIR ID SIGNS

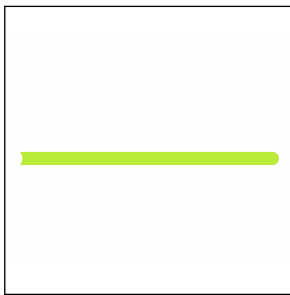

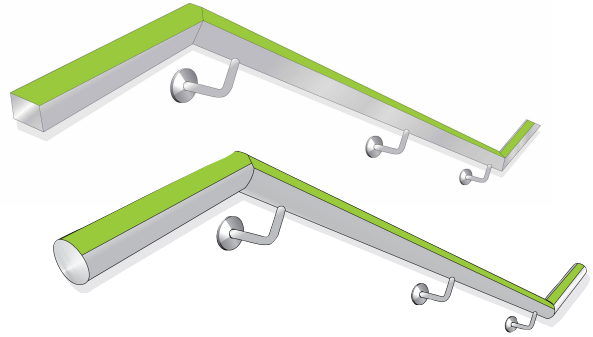

Stair ID Signs feature raised tactile lettering and Grade 2 Braille and notes the direction of egress to the exit. This stair identification sign is a key informational and navigational aid for firefighters and building evacuees. Stair I.D. Signs are constructed of UL Listed 580 Series Rigid PVC material.

Emergency Floor Plans

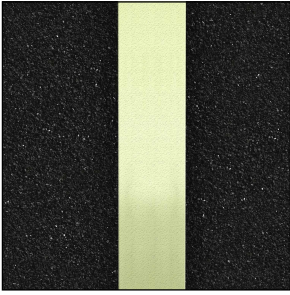

DIMENSIONS: Customizable

SKU: GBC-1185

Floor plans are very important in saving lives & keeping occupants safe in your building. They are key to directing traffic quickly and efficiently out of buildings in the emergencies. These plans are highly visible in dark or smoky conditions. Using your existing floor plan, GBC will create an easy to read map that can be customized to your specifications. Display floor plans throughout your facility.

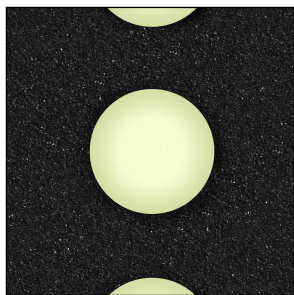

6 ROAD SAFETY

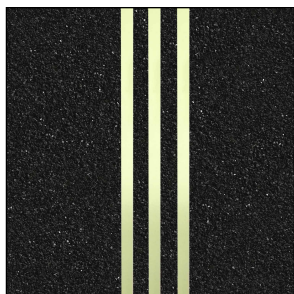

Line Glow 2K
SKU: GBC-LG-2K

Line Glow 2K system is a high performance coating system designed to replace the current road striping materials being used. It is a 2 component system including our proprietary formula of extremely durable APA quick cure/UV stable coating and anti-slip, retro-reflective Line Glow Beads. Simply change the current coating containers with the A and B components of the Line Glow 2K coating and fill the hopper with new Line Glow Beads.

Ultra 2 Road Disc
SKU: GBC-170-RD

Road Discs are an important part of the Line Glow 2K System. When in use, these 3"W x 1/3"H self-luminous road discs provide center road visibility when driving in low light, bad weather, or poor visibility situations. Made from durable materials, these discs are a high quality product that increase visibility and safety on the roadways.

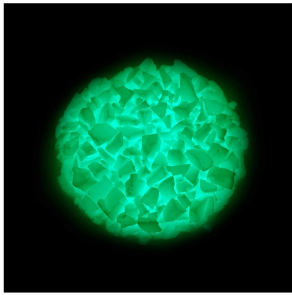

Line Glow Liquid
SKU: GBC-LG-S12G

Line Glow Liquid is a 100% solids system which comes in multiple components for long shelf life and ease of mixing. It's durable and chemical resistant formula is suited for the harshest conditions and is ideal for marking the edges of paths, walkways, roads, highways, crosswalks, tunnels, shipyards, train stations, mass transit depots, subways and more.

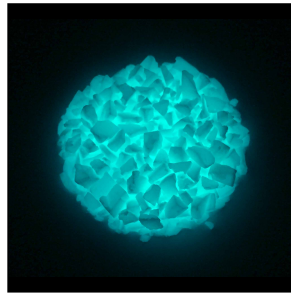

7 GLOW AGGREGATES

**Glow Aggregates
Green**

DIMENSIONS: 1/16" - 1/2"
SKU: GBC-G-AGG

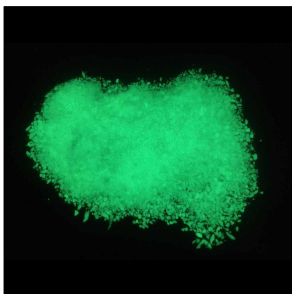

**Glow Aggregates
Blue**

DIMENSIONS: 1/16" - 1/2"
SKU: GBC-B-AGG

Polymer Glow Aggregates are UV-stable, polyol-based photo-luminescent aggregates that can be used for path marking, bike lanes, walk ways, bridges, ponds, fountains, exit/entry ways, and much more.

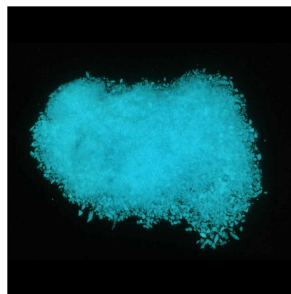

8 GLOW FLAKES

**Glow Flakes
Green**

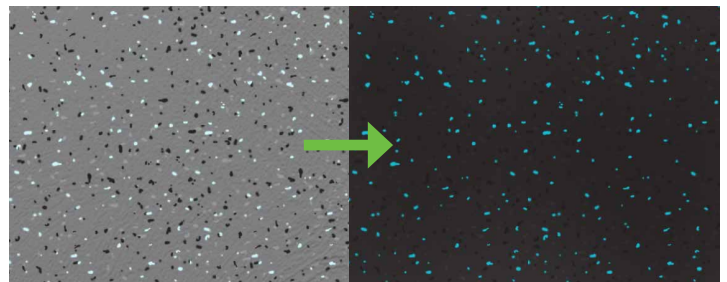

DIMENSIONS: 1/32" - 1/4"
SKU: GBC-SGF-2001

**Glow Flakes
Blue**

DIMENSIONS: 1/32" - 1/4"
SKU: GBC-SBF-2001

Glow Flakes are the latest niche in floor covering systems. When the lights go out, the floor disappears. But add Glow flakes to the base and you'll increase visibility and add a little sparkle to your floor. When the lights are low, our flakes will glow.

9 GLOWING GLASS TILES

Joe Glow Glass Tiles

Joe Glow glass tiles are attractive in the light as well as in the dark but it's when they glow that they really create magic and offer safety in the home or business.

Design your tile work by incorporating Joe Glow Glass Tiles into your project and see the difference. Joe Glow Glass Tiles increase the awe factor enormously and provide a small amount of lighting at night and with the lights off in areas that would otherwise be left completely in the dark.

Choose from aqua, blue, and green tiles. Mix Joe Glow Tiles with your ceramic tiles to enhance your next creation with glow tiles, accenting the day and glowing by night.
